

## *Lemon Drop Bath Salts package and label*

- Print and cut out label, *right*. (Manicure scissors will help.) Use *Beacon Gem-Tac glue* to decorate with 4 mm flatback Swarovski crystals, 10 each in magenta and crystal AB. Apply glue with a toothpick. (Tweezers will help with placement.) Use *double-stick tape* or glue to stick label to a round bottle with a cork stopper.

- Paint the cork with *Plaid® FolkArt paint in School Bus Yellow*. When dry, circle its top edge with *sequins*. You'll need 10. One at a time, slide a *yellow seed bead* and a *yellow AB sequin* onto a *sequin pin* or *short straight pin*, then press it into the cork at its top edge.

- Tie 12" of 1/2" *lavender satin ribbon* around the bottle's neck. Knot at one side. Cut ends into Vs.
